

February 2018

Dear Parents,

Thank you for your interest in St. John School! We are so blessed to be part of a faith community and experience Jesus in those we work with daily. The children here are truly filled with God's grace and it is such a blessing to be with them every day.

We are excited to begin registration for the 2018-2019 school year! Below is the schedule for registration:

February 5	Registration for current school families
February 12	Registration for Ss. Francis and John parishioners
February 20	Open Registration begins
June 1	Deadline to pay \$200 per child Annual Fee

New this year is online registration. We ask that all families go to <https://app.sycamoreschool.com/admissions/index.php?schoolid=3352> to register for the 2018-2019 school year. New families will need to click the green registration button on the right side to begin the registration process. Once you have completed all steps in the registration process you will need to submit your **\$100 per child registration fee** to the school office. Your child will not be registered until all fees have been paid.

To set up your tuition payments, please log on to <https://online.factsmgt.com/signin/3WCFY>. All tuition must be paid using FACTS tuition management. If you have any questions regarding payments, please contact the school office at (502) 863-2607. There is also a \$200 per child Annual fee due by June 1, 2018. All fees are non-refundable. To receive a 3% tuition discount, you must select to pay your tuition in full on the FACTS website.

Our greatest strength is that Jesus is truly alive at our school and we learn our Christian faith by working and praying together with a dedicated faculty. Your children are truly blessed to be in an atmosphere where their spirits are nurtured and education is valued.

God Bless you and your family,

Daniel Mandell
Principal
